Mr Tom Baird

Kansas City Mo.

Dear Mr Baird:

I did not bother calling you as I talked to Gottlieb, and told him we would wait until you came east again, when we could try and arrange a game when Satchell could appear.

We have not played any twilight in Newark as yet, and it would be to big a gamble to try it at this time with a strange team, and no extra attraction.

I hope we can get together at a later date.

Very Truly Yours
